

Reservation Information & Policies

We take a limited number of reservations and leave most of our tables open for our walk-in guests. The most popular times for reservations are 11:30am-12:30pm and 6:00pm-8:00pm. When calling for a weekend reservation, calling a day or two in advance will usually get you your desired reservation time. Exceptions to this rule would be special days of the year such as Mother's Day. Even at the last moment, try giving us a call. Cancellations do occur!

We offer "Call Ahead" service on some nights. We will put your name on the waiting list and give you an estimate as to when you should arrive. Upon arrival notify our hostess and you will find that your wait has been shortened considerably.

For parties over 18 people the following policies are applied: The maximum number of people in one reservation is limited to 35 people weekdays and 27 people on weekends. To provide better and quicker service we assign two staff members to the table. In order to do so, we require that you confirm the final number of people the day of your reservation. We apply an automatic 20% gratuity to the ticket. We allow up to 10% "no-show" and reserve the right to assess a "seat" charge when there is greater than a 10% "no-show". The seat charge is \$5.00 per seat Monday through Thursday and \$7.50 per seat Friday through Sunday.
